**Lead:** Teresa Greenhalgh

**Contact Information:** Teresa\_Greenhalgh@gcccd.edu

**Primary Constituents:** GCCCD Safety Department, Student Services

**Chapter Location:** 5 - Student Services

**Rationale for Proposed Policy or Revision (use “track changes”):**

Pursuant to CCLC’s counsel, this policy/procedure is *legally required* to address recent changes to The Jeanne Clery Act. CCLC provided a template. No GCCCD information or local practice was inserted.

Please see the following attached documents:

- Draft BP 5405 - CCLC template (Update # 19)
- Draft AP 5405 - CCLC template (Update # 19)

**Explanation of impacts:**

- No new impacts determined
- GCCCD practices already in place - current Mous with local law enforcement agencies

FYI:

- Deleted CCLC template language not applicable to GCCCD regarding colleges with off-campus housing (as directed by CCLC template)
- This policy is required even if the District has no officially recognized student organizations with off-campus locations
- The Clery Act was originally known as The Campus Security Act
