Adoption Date: May 21, 2002 Last Updated:

[CCLC template language, except italicized language]

Grossmont-Cuyamaca Community College District (District) ~~Students~~ students with disabilities shall be ~~assisted to participate whenever possible in the regular educational~~ reasonably accommodated pursuant to federal and state requirements in all applicable programs in the District.

The District's Disabled Students Programs and Services (DSPS) shall be the primary provider for support programs and services that facilitate equal educational opportunities for students with disabilities who can benefit from instruction as required by federal and state laws.

District DSPS services shall be available to students with verified disabilities. The services to be provided include, but are not limited to, reasonable accommodations, academic adjustments, accessible facilities, equipment, instructional programs, rehabilitation counseling and academic counseling.

No student with disabilities is required to participate in the Disabled Students Programs and Services program.

The District shall respond in a timely manner to accommodation requests involving academic adjustments. The Chancellor shall establish a procedure to implement this policy which, at a minimum, provides for an individualized review of each such request, and permits interim decisions on such requests pending final resolution by the appropriate administrators or their designees.

The Chancellor shall assure that DSPS conforms to all requirements established by the relevant law and regulations.
