The possession, sale or the furnishing of alcohol on campus is governed by California state law and these procedures. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on-campus is the primary responsibility of the Grossmont-Cuyamaca Community College District (District) Public Safety Department. The campus has been designated “drug free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the District Public Safety Department. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of twenty-one. The possession of alcohol by anyone under twenty-one years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of campus without prior District approval. Organizations, or groups, or individuals violating alcohol or substance policies or laws may be subject to sanctions by the District.

Alcoholic beverages are not permitted on District owned or operated property, except as follows:

To obtain approval for alcoholic beverage service under this procedure, the instructor or the organization must obtain the specific, prior written permission (Attachment A) of the college president (Facilities Use Request pursuant to BP 3555 ~~Use of~~ Alcoholic Beverages ~~on District Owned or Operated Property~~, if on a college campus) and the Chancellor.
