Date Issued:

[CCLC template language, except italicized language]

*The Grossmont-Cuyamaca Community College District (District) Chancellor shall ensure that District students may be permitted to enroll in variable unit open-entry/open-exit courses as many times as necessary to enable them to complete the entire curriculum of the course once.*

*District students may not repeat variable unit open-entry/open-exit courses unless:*

- The course is required for legally mandated training
- The course is a special class for students with disabilities which needs to be repeated
- Repetition of the course is justified by extenuating circumstances
- The student wishes to repeat the course to alleviate substandard work

Whenever a *District* student enrolls in a physical education activity course offered for open-entry/open exit, the enrollment will count as a repetition of the course. When there are several levels of a physical education activity course, students can complete any combination of courses within the activity's family of related courses for a total of four completions regardless of the unit value.
