Reference: ***Title 5 Sections 55230 et seq.***

Adoption Date:

The Grossmont-Cuyamaca Community College District (District) recognizes that individual student needs, interests, and capacities vary greatly. To enhance the college programs and offer alternatives to meet individual student needs, the District provides a variety of learning opportunities for its diverse student population.

The District recognizes that its students may benefit from such opportunities through its independent studies known at the District as Special Studies or Projects and Selected Topics courses. To that end, the Chancellor shall ensure that administrative procedures are written to provide for independent study courses. Additionally, the Chancellor shall ensure that the administrative procedures comply with the requirements in Title 5 Regulations.
