

BP 6312 Student Body Fund

Reference: ***Education Code Section 76060 et seq., 76063 et seq., 76065, 84040(c)***

Adoption Date: August 21, 2001

The Board shall delegate to the Chancellor supervision and control for the administration of the various financial activities operated for the benefit of the student body.

[The District prohibits use of the revenues or expenditures of the student body funds for the District's operations.](#)

The student body funds of the District are independent funds administered by the student body organization of each college, subject to supervision and control by appropriate District Administration.

The student body funds shall be under the general supervision of a designated administrator for each college, and the accounting function is under the general supervision of the Vice Chancellor-Business Services.
