The District shall include in its Annual Security Report a statement advising the District community where information pertaining to registered sex offenders may be obtained.

Sex offenders are required to register with the police in the jurisdiction in which they reside and at institutions of higher learning if they are students there or if they work there as employees, contractors, or volunteers. A sex offender who is an employee or volunteer in the District must disclose his or her status as a registrant upon his or her application or acceptance of the position.

A sex offender who must register for committing a crime against a minor victim under the age of 16 is prohibited from becoming or continuing to serve as an employer, employee, contractor, or volunteer in any capacity in which the sex offender would be working directly and in an unaccompanied setting with minor children or involving having supervision or disciplinary power over minor children.

Sex offenders are required to register at the District Public Safety Office.

Information concerning registered sex offenders can be obtained from the local municipal or county police agency.

The District Public Safety Office shall not release information regarding a sex offender, unless the person seeking the information has signed a statement, on a form provided by the Department of Justice, stating that he or she is not a registered sex offender, that he or she understands the purpose of the release of information is to allow members of the campus community to protect themselves and their children from sex offenders, and that he or she understands it is unlawful to use the information received to commit a crime against any registered sex offender or to engage in illegal discrimination or harassment of a registered sex offender. The department will maintain the signed statement in its records for a period of five years.

The District Public Safety Office will release the following information regarding a registered sex offender: (1) full name; (2) known aliases; (3) gender; (4) race; (5) physical description; (6) photograph; (7) date of birth; (8) crimes resulting in registration; and (9) the date of last registration or reregistration.
