Discussion items	Action/Follow-Up
<p>A. Tuesday, June 16, 2020, Governing Board Regular Meeting Draft Docket, Via Zoom</p> <ul style="list-style-type: none"> 4:15 PM Open Session with Closed Session to follow 	<p>Chancellor Neault thanked everyone for attending the Zoom meeting and began going over the Governing Board agenda for June. A few key points are:</p> <ul style="list-style-type: none"> There will be no workshop this month There are three important Resolutions: <ul style="list-style-type: none"> ➤ Denunciation of Racism and Acts of Violence Against Black Communities ➤ Extending the Deadlines for the Approval of the 2020-21 Budget and 2019-20 Audit Report Due to the Effects of COVID-19 ➤ In Support of Assembly Constitutional Amendment 5 (repeals Prop 209)
<p>B. Returning to Campuses – Update</p>	<p>Chancellor Neault gave an update on the return to campus: extended DEC has been meeting for a while now. The County has said GCCCD can return employees to campus, however, no classes or large activities. The beginning preparation phase began this week with facilities and maintenance on campus and over the next four to six weeks.</p>

	<p>They will install plexiglass where needed, clean grounds, install markers on the ground for traffic flow, make sure there is adequate physical distancing for desks and shared spaces, and post signs in accordance with CDC guidelines. All Facilities, Maintenance and Operations employees have been trained, and high-risk category individuals have been directed to contact HR.</p>
C. Multi-Cultural Awareness Training for All Employees	<p>Jim Mahler discussed the importance of multi-cultural awareness. He noted that GCCCD needs to put something in place (a type of training) that is mandatory for all employees. This needs to be institutionalized.</p> <p>Chancellor Neault said she will review this with the College presidents and Chancellor's Cabinet will develop a plan .</p> <p>ACTION: This will be kept as a standing item in order to follow-up.</p>
D. State Chancellor's Office Call to Action for Law Enforcement Training and Curriculum.	<p>The discussion needs to occur on how to move forward with law enforcement training on campus, and related curriculum. It was stressed that curriculum is within the purview of the Academic Senate.</p> <p>ACTION: This will be kept as a standing item in order to follow-up.</p>
E. Sheriff's Contract	<p>Chancellor Neault reported that the sheriff's contract is up for renewal. The district is proposing reducing the contract for 2020-2021 to one sheriff at each campus versus five districtwide. Jim Mahler suggested GCCCD not renew the contract and consider alternate methods to protect the campus. There were concerns noted about not having any law enforcement on campus. The Chancellor reported that this would be something that needs further research and discussion.</p> <p>In addition, the request will be made that any officer that works for GCCCD must have cultural sensitivity training.</p> <p>The group discussed how to move forward. At this point in time, the contract will be renewed with one sheriff at each campus, especially since there will be minimal students on campus at least through the end of 2020.</p> <p>Moving forward: A longer-term conversation needs to take place as to what campus law enforcement/security should look like in the future, including conducting forum at each campus to get faculty, staff and student input.</p>
