- When a section is open, students close the section when they put themselves on the waitlist. Any way to not allow that? - Reyna
- When I make changes to sections and save out of a screen, the change doesn't take and I have to go in and enter the information multiple times before it saves the info. - Reyna
- Dual Enrollment location code in Colleague – Wayne
- Microsoft Training – Wayne
- HEERF tech and training requests – Wayne
- Self-Service reboot – Wayne – keep on agenda
- Student ID and parking permit color – Wayne
 - It's been quite a while since we've coordinated that with any other departments. Years ago, benefit stickers were printed to match the semester color of parking permits and semester update stickers for student ID cards. Those finely-tuned colors aren't available anymore, so we just rotate sticker colors over time. – Sara V.
- Audit - Wayne
- Calendars: Summer, Fall
