Option A = 280.7 FTEF (The State FON from Fall 2008)  
Option B = 50.9% (The District's actual % for Fall 2008)  
District has chosen Option A for compliance

**Note:** State FT/PT % is calculated based on obligation provided. In years when the Board of Governors determines that inadequate funds have been provided to implement increases in the obligation, the district must only hold to the prior year %.
