Q9 - Based on your experience on the council this academic year, please describe how the council's work could be improved.

Based on your experience on the council this academic year, please describe...

---

Start on time, clarify the purpose of the group. Big important issues are not thoroughly discussed because the various constituent groups are in attendance (i.e. looming deficit after faculty raises)

A bit more advanced notice on back-up documents to be discussed in the meeting would be good.

Q48 - Based on your experience with the Sustainability Committee this academic year, please describe how the committee's work could be improved.

---

I don't think I noticed anything from the Sustainability Committee

I am not aware of this committee's work.

It feels like we talk a lot about things but no action is taken.

Never heard anything from them.
