

ITAC Minutes Jan 19,2012

Attendees: Cuyamaca – Connie Elder, Brian Josephson, Rhonda Bauerlein, Dave Raney, Grossmont – none, District – Debbi Smith, Brian Nath (at Cuyamaca)

1. Cuyamaca Report

- a. Connie Elder brought up the issue of making the BB containers for prior terms unavailable. Something that has been discussed at prior ITAC, TTLC and ITC meetings. Rhonda had recently provided IS with tool/document on how to do it. Debbi Smith thought this wouldn't be a problem for IS to do, and Brian recommended IS go ahead and run the job to make prior term containers unavailable after first discussing with Kerry Kilber and Chris Rodgers. Connie will draft an email to be sent to all faculty. IS agreed to communicate with Connie, Kerry, Rhonda, Chris prior to running the job. We also noted moving forward with this task had already been approved by TTLC and ITC barring any technical issues.
