Present: Kerry Kilber, Carrie…,Stan Moore, Brian Nath, Chris Rodgers, David Raney, Rhonda Bauerlein, Brian Josephson, Connie Elder

Cuyamaca College ITC:

- Email went out announcing that IS will be making Blackboard containers unavailable two weeks after the grade submission deadline each semester.
- Tony Zambelli discussed his role as author of Distance Education section of Accreditation self study and gathered information from committee members.
- A survey will be going out to faculty asking that they assess their compliance with state and federal guidelines for online educational content
- Technology Plan Committee has a number of documents available for viewing on the intranet.

Grossmont College TTLC:

- Tools and Techniques for online teaching passed Academic Senate
- Distance Education subcommittee role in Accreditation – collecting of documents through Google docs.
- Writing a Distance Education substantive change proposal for AACJC
- On board with the MS Word building block in Blackboard
- CATL is closing in the Spring

Blackboard

- Test system is going away
- BB containers from previous semesters will become unavailable April 2.

Technology Infrastructure

- Streaming video server for CC to be a summer 2012 project

IT Plan

- Posted on Intranet for review
  - 5 Year Plan
  - Each year have 1 year action plan
- Next year (near term) projects
  - DSS (Decision Support System) working with a vendor. Institutional Research involved in discussion – long term project, eventual web access to data.
  - Curricunet – still working out some language but close to contract
  - DARS – Degree Audit for students; in Purchasing
  - Online Advising and Assessment – contracts signed, B Nath to call vendor soon to figure out next steps.

- College websites – getting closer to issuing contract with vendor. Will be sharing a "high level proposal" with Deans of LTRC, then to cabinet. Will utilize our human resources as well as theirs. They've done this before.
