

The Student Equity & Success Council serves in an advisory capacity to the Chancellor and as a platform for collaboration, coordination, support, and communication about districtwide efforts to promote equity-minded student success. The council also works to promote a culture of inclusivity and global consciousness in the District. Objectives of the SESC include the following:

- Promote a shared vision for the District's student success, equity, and diversity efforts aimed at creating an effective student-focused culture (e.g. Student Success & Support Plans, Student Equity Plan, Basic Skills, San Diego East Region Adult Education Consortium, East County Education Alliance, Achieving the Dream)
- Provide districtwide coordination on regional education and student equity and success partnerships
- Support professional development efforts related to student success, equity, diversity, and inclusion
- Provide strategic direction to District Strategic Planning & Budget Council, District Institutional Effectiveness Committee, and Workforce Training Coordinating Committee to inform strategic allocation of resources and assessment of student success efforts

Discussion Items	Action and Follow-Up
A. Welcome - Intro	
B. Vision for Success	<p>Acting Chair VC Hancock mentioned that while it is necessary to tie the Vision for Success goals to the overall strategic plans, it would be ideal to identify Districtwide goals, allowing for different measures at each campus. With general consensus that alignment would be worthwhile, the group reviewed the template and decided on the following metrics for each college to take back to local teams as a recommendation with target setting remaining local to the campus.</p> <ul style="list-style-type: none"> • Goal 1: Both • Goal 2: Both • Goal 3: Only one • Goal 4: First two: median annual earnings and living wage • Goal 5: Only one.

Discussion Items	Action and Follow-Up
C. Guided Pathways Coordination	The two campuses as well as District representation came together on Friday, January 25 th for a Joint Guided Pathways meeting. Many felt the time was productively spent with there being a consensus on District-wide alignment. There was also discussion regarding next steps operationally on how to go forward particularly bringing both campuses and steering committees together. A lot of work has been done on 'meta majors' with Cuyamaca taking recommendations back to students this week.
D. Student Conduct Handout Update	VP Robinson presented the Student Conduct Handout that had previously been through many revisions. She noted that there is a typo on page 18; should say four not seven. With Council consent, the correction will move forward to DEC for final approval.
E. Alliance Updates	There were 733 Promise Scholars in Fall; 173 did not meet the minimum GPA. To date there are only 11 new students entering for Spring. Student Services departments at both colleges are working with potential students to complete outstanding requirements. Overall the Alliance has a lot happening in the Spring including over 20 campus visits currently scheduled, FAFSA nights, and other outreach efforts.
