

## **Grossmont-Cuyamaca Community College District**

### **Income Allocation Model**

#### **Proposed Guiding Principles**

- Simple and easy to understand
- Perceived as fair
- Be transparent
- Ensures financial stability
- Allows each site to develop, implement, and manage its own budget
- Planning should drive budgeting
- Provides for a reserve in accordance with GCCCD Board policy
- Utilizes conservative revenue projections
- The model will be continually assessed and reviewed every two or three years
