Compressed Calendar Exploration <ul style="list-style-type: none"> Overview Benefits/Advantages Proposed Timeline Future Registration Dates 	<ul style="list-style-type: none"> Is this committee in favor of implementing a 16-week compressed calendar? If so, are we in favor of striving to make this transition in time for the 2023-2024 academic year, or the 2024-2025 academic year? Do we recommend reducing the term length from 18 weeks (1 week FLEX, 16 weeks instruction, 1 week final exams) to 17 weeks (1 week FLEX, 16 weeks instruction, No finals week – finals are given on last day of class). Do we recommend a calendar that starts earlier in August or ends later in December? Are we in favor of continuing to offer two days (Thursday and Friday) of vacation during Thanksgiving break (as opposed to the entire week)? Do we recommend maintaining the current 4-week intersession?
