

## 2024-2025 Academic Calendar Detail

### Updates to calendar appearance:

- Calendar Colors have been darkened one level to enhance the printed version
- The box of the start date and the end date of each term was thickened to 1.25 to highlight the start and end of the terms.

### Changes to calendar data presented:

- The 1<sup>st</sup> 8-week start and end dates were added to both the Fall and Spring legend on page 1.
- The Saturdays after a holiday were changed from black to gray to align with how they should be submitted in the MIS (Management Information System) Academic Calendar as non-holiday, non-instruction days to match the summer non-holiday, non-instruction days.
- An asterisk (\*) has been placed next to any holiday with a non-instruction Saturday in the Holidays legend and on page 2.
- A note has been added under the holiday legend and at the bottom of page 2 indicating the asterisk (\*) notates "No classes on Saturday after the Friday holiday."
- Presidents' Day weekend has been separated to the individual holidays, Washington Day 2/14 and Lincoln Day 2/17, in the holiday legend and on page 2.
