

Welcoming Denise Whisenhunt

June 29, 2021

Dear Colleagues,

Please join me in welcoming Denise Whisenhunt in her new role as President of Grossmont College. I am confident she will provide strong leadership for the college in the years ahead as we work together to build back enrollment; engage students with diverse needs and remove structural barriers to their success; maintain a strong focus on diversity, equity and inclusion; and address the long-term fiscal health of the District.

Denise is eager to get to know Grossmont College and those who work throughout our District. She will be holding a Zoom session on July 6 from 12:00 - 1:00 p.m. Please [register](#) if you would like to participate. Between July 12-22, she will be having an open office hour each day from 3:00 - 4:00 p.m. Be sure to plan to stop by and say hello by using this [schedule](#) to sign up for a 15-minute slot. Monday and Thursday slots are in person, and Tuesday and Wednesday are via Zoom.

Please contact [Bernadette Black](#) if you have a question about scheduling.

I am excited to have Denise join our District leadership team. Please reach out and show her what makes Grossmont College so special.

Lynn

Lynn Ceresino Neault, Ed.D.

Chancellor, Grossmont-Cuyamaca Community College District
