1. Report from District-DEI Council/DEI Summit

Krueger shared the diversity pledge campaign that she proposed to the council. The committee watched the diversity pledge campaign video from SDSU. The next steps will be for the council to create a committee to develop a pledge and a plan for our own diversity campaign.

The DEI Council will not be meeting again until August or September.

2. Membership Term and Recruitment

The committee discussed the current organization of the committee and discussed whether to implement terms and/or recruit new members. It was decided that no terms would be set at this time, but we will send out an announcement to see if there are additional employees that would like to serve on the committee. Krueger volunteered to make a recruitment flyer.

3. Book Club

Approximately seven people attended the last meeting. Kline reported that future book club meetings will be advertised as starting at 12 pm and 12:30 pm. It is hoped that this change will make it more comfortable for people to join at 12:30 pm, without feeling like they are interrupting an existing discussion.

4. Kognito Training

Heuft reported that it is possible for the District site to set-up our own account at kognito.com. We need to determine who the administrator will be. It was determined that we would ask Corcoran if he would be the administrator or identify a different candidate.
