1. Report from District-DEI Council/DEI Summit

Council is not meeting until September

2. Book Club Update

An email has been sent out so that employees can vote on the next book club selection. Lunch will be provided for book club meetings. The next meetings are scheduled for August 27<sup>th</sup>, September 24<sup>th</sup> and October 29<sup>th</sup>.

3. Employee Spotlight changes

The committee discussed how to generate more participation in the employee spotlight. It was decided that we would have the Advancement and Communications writer, David Ogul, interview willing participants. David will then write the spotlight for us. Dawn Heuft will contact several of the new employees to see if they would be willing to participate

4. Workshop suggestion for next year

Linda Jensen suggested that we include a workshop on political civility. As the committee discussed it was decided that the topic could be more broad and could be about listening to other perspectives and practicing civility. The committee will contact the Grossmont Professional Development department to find a resource for the workshop.

5. October is National Coming Out Month

The committee discussed inviting a student panel to share their experiences with coming out. It was decided that we could set the annex up theater style for the panel.
