

Fiscal Independence Update

In June, we provided a summary of the process for the District to become fiscally independent, which includes separating payroll and fiscal operations away from the oversight of the San Diego County Office of Education (SDCOE).

Our independent auditors, Christy White CPA Associates, have now completed their assessment as required to complete this process. The auditors have determined that the District is ready to move forward to the next step.

The application for independence has been filed with SDCOE and I will keep you updated on the status of the application.

Human Resources/Payroll & Finance System

The Workday Implementation Taskforce (WIT) members participated in a Workday HR/Payroll four day fundamental course. It not only helped us to see the extensive work ahead, it also showed the improved functionality for HR/Payroll operations and employees. The WIT includes representatives from the Colleges and District Services.

Police & Public Safety Transition Taskforce

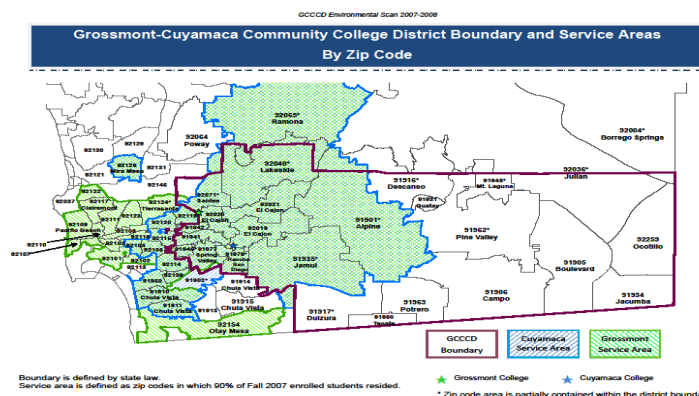

The **Police & Public Safety Transition Taskforce** began in July 2013. The transition is now complete and operations of the San Diego Sheriff and new CAPS department are fully functional. A staff survey showed overall support and appreciation of the separation of law enforcement and campus services, and provided suggestions for improved communication. The Taskforce has now completed its work. Thank you to the staff members who served on the Taskforce and helped make this a smooth transition for our students and employees:

Student Equity Funding

This is a State allocation which is based on Grossmont-Cuyamaca student counts, our students receiving Pell Grants, plus four factors based on data within our District boundaries.

The initial year 2014/15 allocation is \$1,055,695.

Welcome to District Services

As announced in the July District Services Board report, the District Warehouse welcomed Warehouse Assistants Glenn Macy and Kyle Smith in May, and Andy Chavez, Warehouse Assistant Intermediate, in June. We now have a photo of our camera shy friends! *Welcome, again, to our Warehouse Team!*

The Campus and Parking Services (CAPS) welcomed CAPS Specialists Scott Skinner and Jonathan Snyder to the CAPS department in July. These two are helping us expand our night shift coverage..

A belated welcome to our new CAPS staff members.
