

Cuyamaca College Campus Traffic Evacuation Plan

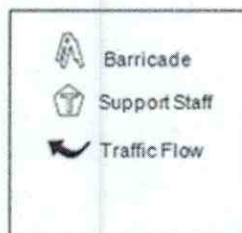

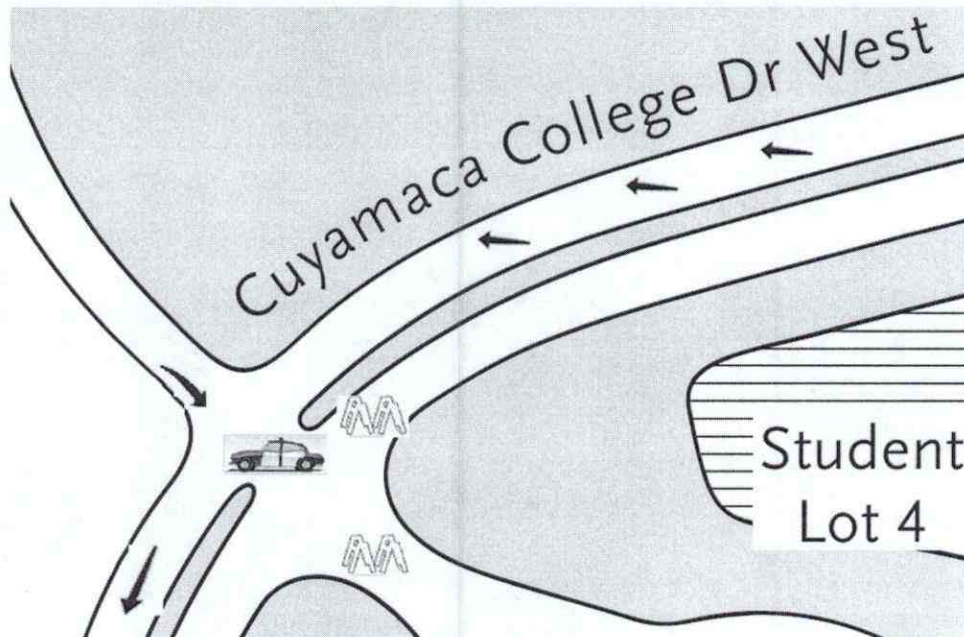

The Grossmont- Cuyamaca Community College District has developed a Campus Traffic Evacuation Plan to support the campus in case of an emergency.

The purpose of the plan is to disperse traffic to minimize congestion while directing students, staff, faculty and visitors to the nearest campus exit.

Location Cuyamaca College Drive West and Museum Intersection

Instructions:

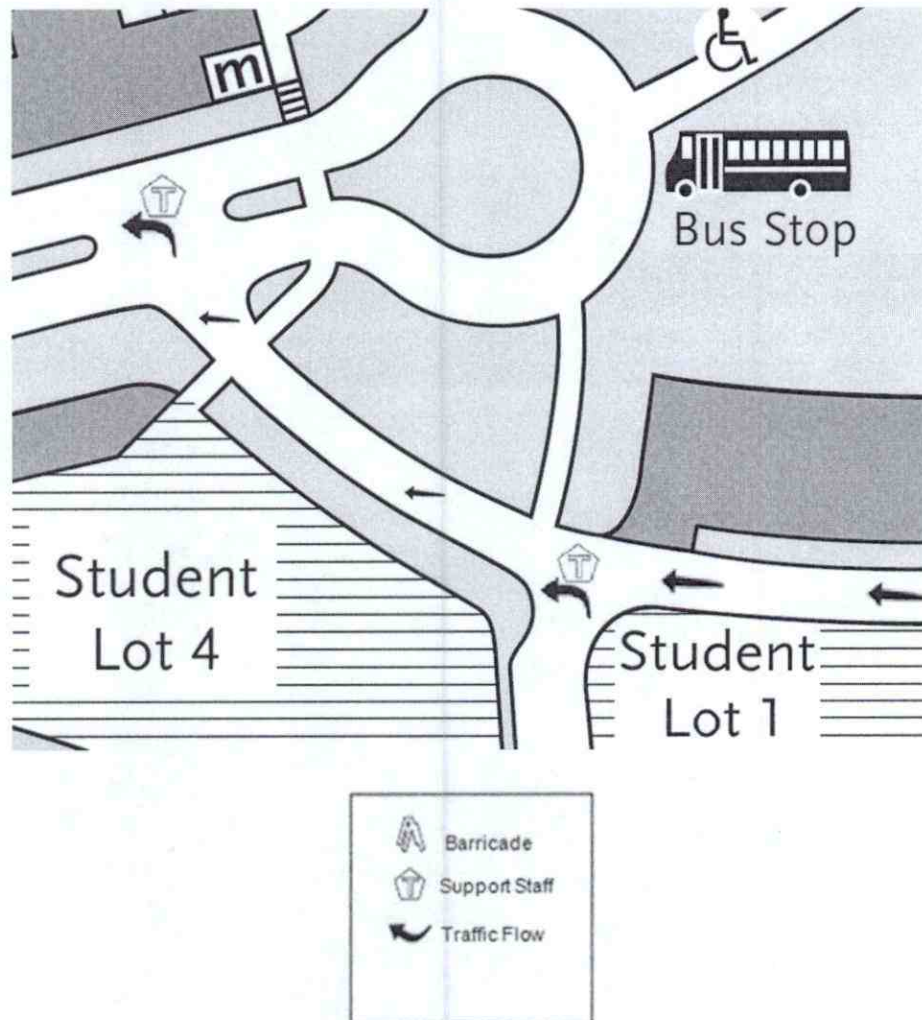

- Public Safety will direct all exiting traffic from Student lot 1 and 4 towards Jamacha Road.
- Public Safety will use their vehicle and barricades to prohibit traffic entering campus.
- Public Safety will allow only emergency vehicles to access these areas.

Location Student Parking Lot 1 and 4

Instructions:

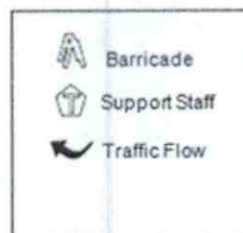

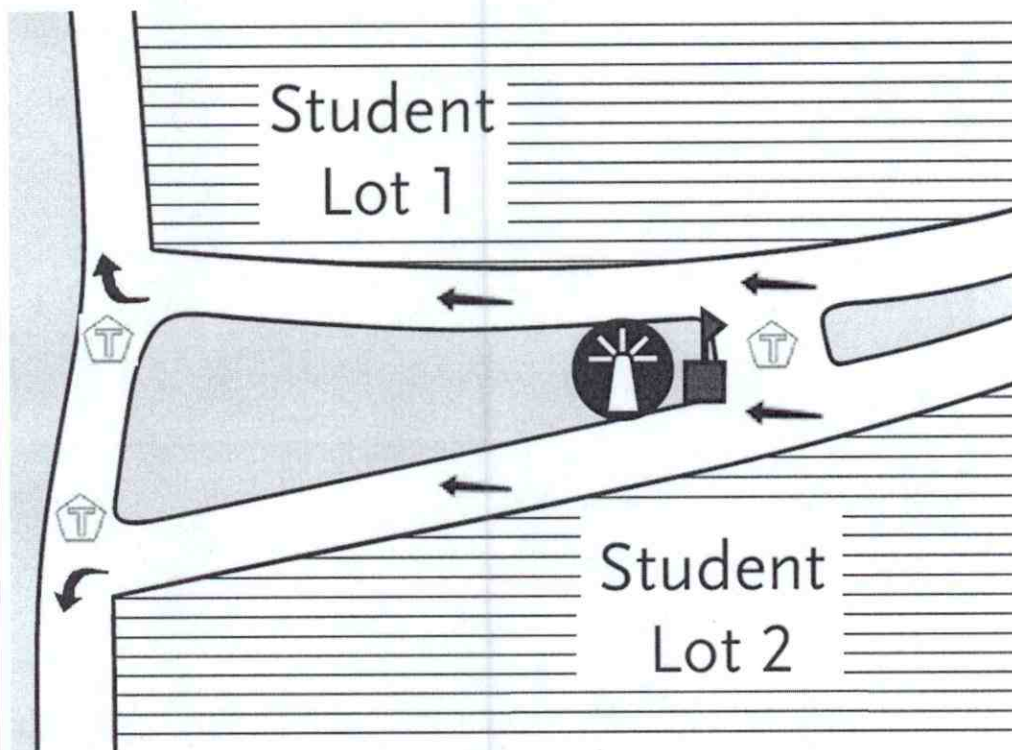

- Support Staff will direct all exiting traffic from both exits of student lot 1 and 4 to Cuyamaca College Drive West onto Jamacha Road.
- Support Staff will allow only emergency vehicles to access these areas.
- Support Staff to assist in moving barricades for emergency vehicle access only.

Location Student Parking Lot 1 and 2

Instructions:

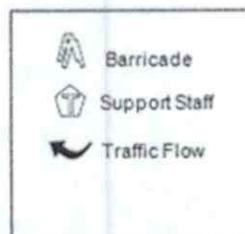

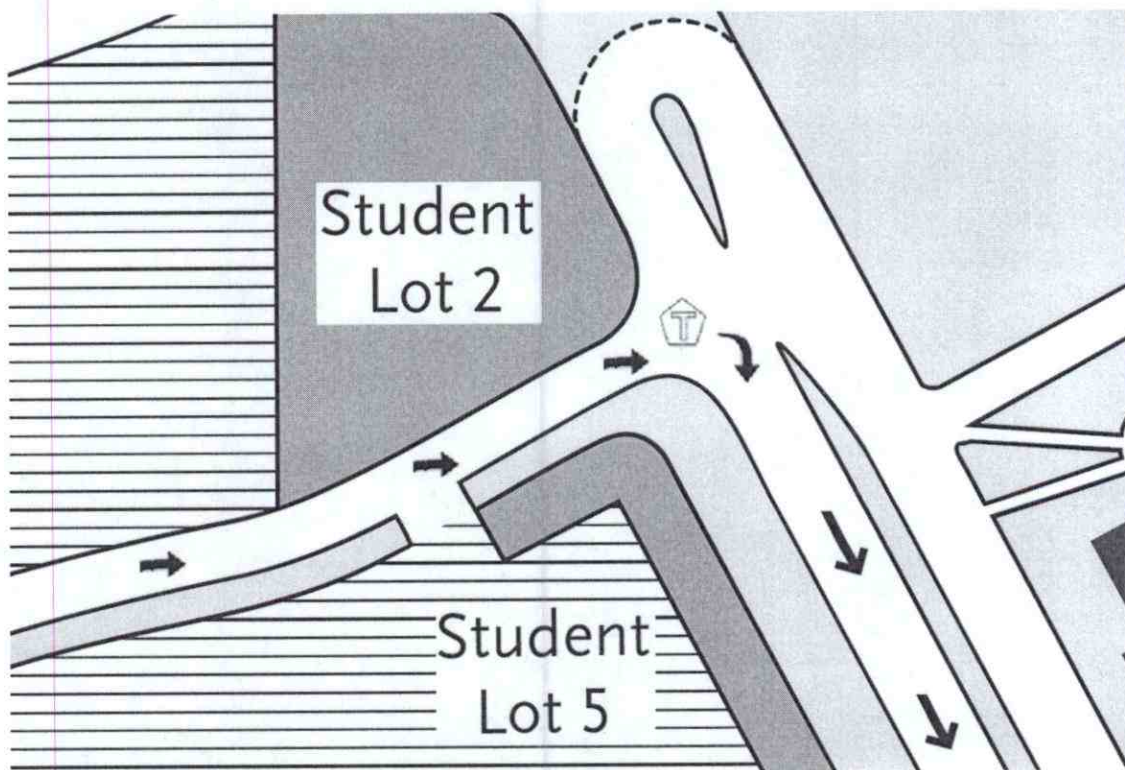

- Support Staff will direct all exiting traffic from Student lot 1 to Cuyamaca College Drive West onto Jamacha Road.
- Support Staff will direct all exiting traffic from Student lot 2 to Rancho San Diego Parkway onto Fury Lane.
- Support Staff will allow only emergency vehicles to access these areas.
- Support Staff to assist in moving barricades for emergency vehicle access only.

Location Student Parking Lot 2 and Rancho San Diego Parkway

Instructions:

- Support Staff will direct all exiting traffic from Student lot 2 to Rancho San Diego Parkway onto Fury Lane.
- Support Staff will allow only emergency vehicles to access these areas.
- Support Staff to assist in moving barricades for emergency vehicle access only.
