1. Cuyamaca ITC Report-
  - a. Tech Plan Committee- The allocation amount is only \$29k for the year.
  - b. Online T&L Committee- Revisiting the issue of accessibility. Ramping up for the accreditation visit and the increased focus on distance education.
2. Grossmont TTLC Report- TTLC meets on 2/28 (later postponed)
3. Blackboard- at the meeting it was noted the Blackboard had been very stable. Unfortunately, shortly thereafter, we began to experience problems. Upgrading to BB 9.1 after the Spring term was discussed.
4. Staff turnover in IS- Brian describe the current status of staff replacement. Final interviews for a Sr. A/P; lots of candidates for the computer support positions, web support position approved.
5. Technology infrastructure- Brian discussed progress on several projects. The Grossmont SANS upgrade is complete. The Cuyamaca wiring upgrade was completed over the winter break. The wireless upgrade continues. He hopes that the Exchange upgrade will occur during the Spring term. The Office 2010 rollout has begun.
6. New topics
  - a. Nadra discussed 2 new offerings from McGraw-Hill: Connect and Create which can be interfaced with Blackboard. There is no cost to students, faculty or the District for either product. We must be running BB 9.1. We're currently on 9.0 planning to upgrade for this Summer. Nadra is trying to arrange a demo for the 3/17 ITAC meeting.
7. Meetings for 2011 (1pm-2pm): 3/17, 4/21, 5/19, 6/16
