

GROSSMONT-CUYAMACA CCD
INSTRUCTIONAL TECHNOLOGY ADVISORY COMMITTEE (ITAC)
MEETING SUMMARY

July 21, 2011

Attendees: Cuyamaca- Rhonda Bauerlein, Connie Elder, Angela Nesta; Grossmont- Henry Eimstad, Brian Nath, Chris Rodgers, Debbi Smith

1. Cuyamaca ITC- no report
2. Grossmont TTLC- no report
3. Blackboard
 - a. We agreed to postpone the implementation of SP6 that was tentatively scheduled for 8/15.
 - b. Deb will email the fixes for SP6
 - c. Notifications need to be tested on the test server before changing on the production server
4. Technology infrastructure- Brian reported on several projects:
 - a. We hope to have the wireless upgrade completed this summer.
 - b. Windows 7 implementation is proceeding in some labs, on instructor stations in classrooms, etc.
 - c. The Sophos anti-virus roll out has gone very smoothly. Brian is checking with Nick on how to get work-at-home copies of Sophos.
 - d. The Office upgrade deadline remains 8/10. On that day people will be forced to upgrade.
 - e. We are continuing to implement VMware.
 - f. Some progress has been made on the Exchange upgrade.
 - g. We do not have rights to upgrades to the Macintosh OS so copies must be purchased by the departments.
5. Date for joint ITAC-ATAC meeting- We discussed conducting the joint meeting to discuss technology plans on September 16 at 10am. Connie has reserved C145 at Cuyamaca. It can handle up to 23 or so.
