New and Relevant Issues to Be Discussed

1. Blackboard
 - Smarthinking – in process of getting contract
 - Do we want to activate the Vista Higher Learning Partner Cloud (requested by instructor Donna Marques) – any objections to this? Discuss at ITC & TTLC.
 - CP10 September 4th
 - Archiving & Deletion of Old Containers – talk about at TTLC & Distance Ed. Need to communicate when this will be done – timeline & plan. Summer because of down time.
2. Colleague
 - Changes to Priority Registration for Spring 2015
 - Discussion about best way to organize open registration & priority registration
 - Working on agreement with Ellucian to assist with updating software (releases from April 2013 through August 2014) – Colleague updates in a more timely fashion
 - Sheri Willis – PM for Workday Implementation / Eric Lane – College support during Workday Implementation
3. Workday Deployment
 - Approved by Board Tuesday night
 - Impacts District, Grossmont & Cuyamaca Colleges
 - Colleges will be engaged
 - Workday is hosted off site, can access anywhere and on anything
4. SIRSI – Brian Nath will have a meeting with Library about conversion August 22nd, have a goal of completion in October 2014
5. Drop for Non Pay – communicate better when Web Advisor will be down
6. DARS – would like to demonstrate DARS, where? ITC, ITAC?
7. CASAS/WIA – this is a basic skills related grant to fund tutors, going to do a survey of students early & late term to determine success
8. Website Project
 - Anything new added to or changed on website will not move on because of Snap Shot
 - Possible discussion at DCEC concerning how best to deal with some faculty web pages/sites
