

The Student Equity & Success Council serves in an advisory capacity to the Chancellor and as a platform for collaboration, coordination, support, and communication about districtwide efforts to promote equity-minded student success. The council also works to promote a culture of inclusivity and global consciousness in the District. Objectives of the SESC include the following:

- Promote a shared vision for the District's student success, equity, and diversity efforts aimed at creating an effective student-focused culture (e.g. Student Success & Support Plans, Student Equity Plan, Basic Skills, San Diego East Region Adult Education Consortium, East County Education Alliance, Achieving the Dream)
- Provide districtwide coordination on regional education and student equity and success partnerships
- Support professional development efforts related to student success, equity, diversity, and inclusion
- Provide strategic direction to District Strategic Planning & Budget Council, District Institutional Effectiveness Committee, and Workforce Training Coordinating Committee to inform strategic allocation of resources and assessment of student success efforts
