California Education Code Section 76140 authorizes a nonresident tuition/fee exemption for eligible students who attend a California Community College near the California – Mexico border. The Education Code authorizes Grossmont and Cuyamaca colleges to serve up to 150 Full-Time Equivalent Students.

The Chancellor is authorized to adopt uniform rules and regulations for determining a student's residence classification and procedures for appeal and review of a student's residence classification, as well as other criteria for student eligibility for the nonresident tuition/fee exemption.
