

Welcome Back!

**HELP US BY DOING YOUR PART
TO REDUCE OUR CARBON FOOTPRINT!**

GCCCD'S SUSTAINABILITY PROGRAM MADE BIG GAINS THE LAST TWO YEARS!

Overall, the energy we have saved is equal to removing **355** cars from the road or planting **43,751** trees!

LET'S KEEP THE MOMENTUM GOING!

How can you help the Energy Program?

- **Reduce energy consumption**
 - Last out → Lights off
 - A/C on → Doors closed
 - End of day → Computers off
- **Be an extra set of eyes & ears!**
 - Report equipment left on or malfunctioning, water leaks, & dripping faucets
