Minutes:

Item	Summary/Action
1. Welcome	As an information item and since both committees report to this council, though it was not this council's recommendation, ATAC and ITAC will be merged. The current draft proposed charge and composition was shared though may still change.
2. Project List & Timelines	AVC Tarman shared current IT project lists and timelines. Current Updates: <ul style="list-style-type: none"> - Student Planning: This Fall 5- 6 counselors at each college will be piloting and curriculum tracks are being programmed. - Self-Service: Next piece would be for faculty--grade submission, rosters, etc. Goal is to roll out for spring semester. - WebAdvisor: It will no longer be supported soon, so we need to continue to move existing links over to Self-service. - Recruit Phase 2: Routing application import through Recruit into colleague. - MyPath: This is being looked into; but we have to be thoughtful about what it does compared to other products we are using. - Optimization projects: A lot of staff learning to better use system. - Financial Aid: A consortium was created related to state awards; it is on track to give to test schools in mid-October. If all goes well, would like to begin implementation February 2020.
3. STANDING REPORTS: a. TAC b. Security Workgroup c. Website Committee	Nothing to report from TAC or IT Security Workgroup. The website redesign team continues to work with Civilian on the changes; existing websites are considered "frozen" as of August 30 for the transition.

4. Additional Items

Reg365: District looking at implementation for the 2021-22 academic year. This means that by February 2021, the schedule for entire year would be published.
