

Technology Security Plan Workgroup

Charge:

Develop a draft *Technology Security Plan* for recommendation to the Technology Coordinating Council. The Plan should establish and codify procedures to protect on-going technology system integrity and student, employee and vendor personal information.

In addition, the *Technology Security Plan* will address various compliance requirements, including FERPA, FTC, United State Department of Education and other applicable agencies.

Composition:

Student Services:

Vice Presidents Student Services
Financial Aid
Admissions & Records

Marsha Gable, Scott Thayer
Michael Copenhaver, Ray Reyes
Wayne Branker

Academic Senate

Information Systems

Brian Nath
Steve Abat

District Services:

Human Resources
Purchasing
Public Safety

Jamail Carter
Linda Bertolucci
Nicole Conklin

Meeting Schedule:

Set monthly meetings to draft the plan for recommendation to the Technology Coordinating Council.
